

References

- This image is a high-contrast, black-and-white representation of a complex, abstract pattern. It features a dense network of horizontal and vertical lines, creating a sense of depth and texture. The pattern is composed of numerous small, dark pixels against a lighter background, with some areas appearing as solid black or white blocks. There are no discernible figures, text, or other specific elements, giving it the appearance of a corrupted digital signal or a specialized scientific visualization.

middle of the film, illustrating the GoGo Go! Only one film strip is shown.

Sternber... Professor Izumi Shimada, and Pro-
