

Libby is made possible by your organization and built with  by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your organization!

1

Install Libby for Android, iOS, or Fire tablets from overdrive.com/apps/libby. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your organization and sign in.

3
Browse your organization's collection and borrow a title.

Borrowed titles appear on your **Shelf** () and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

On your **Shelf**, tap **loans** at the top of the screen. From there, you can:

- Tap **Read With...** to choose whether you'd like to open a book in Kindle (U.S. organizations only) or Libby.
- Tap **Open In Libby**, **Open Magazine**, or **Open Audiobook** to start reading or listening in the app.
- Tap **Manage Loan** to see options like **Renew Loan** and **Return Early**.

Happy reading!
