

What are the researchers allowed to do with information about you?

What is the Measuring Wellbeing in Schools project?

With your school, we (the researchers) are trying to find out more about young people's wellbeing and how we can help them.

What information will we collect about you?

As part of this research project, we (the researchers) will collect the following types of information about you and other young people who have completed the online questionnaire:

1. Your questionnaire answers : This is to understand how young people your age feel about their school, friends, and themselves .
2. Information about you that is usually collected by your school: For example, what

- Ask us to transfer the information we have collected about you to someone else
- Ask us to change (correct) any information we have collected about you

We will share
