
Make the most of your skills at UCL!

WELCOME TO A NEW YEAR AT UCL - We're committed to making sure you can receive a world-class education and student experience in September, and that you can do so safely and with the flexibility you need. Check the **UCL28t** **IC 50.0g10.0.0938** **eWMC 5.1g1GhTm1g.093**

Skills and Opportunities

As a new student at UCL, there are all kinds of extra-curricular opportunities to take advantage of. Read these articles to find out how you can make the most of your time outside the classroom and get involved.

Volunteering as PhD student

There are plenty of rewarding and powerful volunteering opportunities open to PhD students at UCL. Rebecca is a PhD researcher in Physics and Astronomy, but took on a project completely different to her research, working towards a more sustainable future. [Find out more.](#)

Top three things you need to know about UCL careers

As a new student, you can access resources, opportunities and guidance now, to kick start life after your studies. [Find out more.](#)

Develop your entrepreneurial skills and thinking at UCL

Innovation & Enterprise helps you develop the vital entrepreneurial skills you need in order to flourish in the career you choose. [This article will show you how to get involved.](#)

Designing solutions for Problems faced with Food Poverty

UCL Computer Science is organising an industry-supported Hackathon event, "Designing solutions for Problems faced with Food Poverty". The event is open to all new students in UCL Engineering and will give you a chance to meet other students. You will also have an opportunity to

- [participate in a series of workshops](#)
- [attend a series of talks](#)
- [use a range of digital communications platforms](#)
- [hear from leaders in the industry](#)

Find out more.

Your online induction - Connected learning

practical opportunity for both new and returning students to experience an online course before the new term begins. **Get started!**
