# Creative opportunities for the host boroughs

---

Culture and creativity

"The area is rich in diverse creative industries including art and design, fashion and film, the performing arts and music"

# Waltham forest

---

seem to have accepted the goals of renewal  
legacy on cultural aspect

the refurbishment of the  
William Morris Gallery

---

---

«To be honest, as far as I know, the cultural activity, especially overall in London, is full of culture, all different cultures from all around the world. But Waltham Forest is one of them, really, and I think maybe one of the highest, maybe in Waltham Forest because it's all different types

# As a result

---

Culture has been designated as an actor at Waltham Forest in concordance with the Olympic's goal to leave a lasting legacy in east London

The council found strategic ways to use these opportunities
